

INTERNATIONAL SCIENTIFIC CONFERENCE

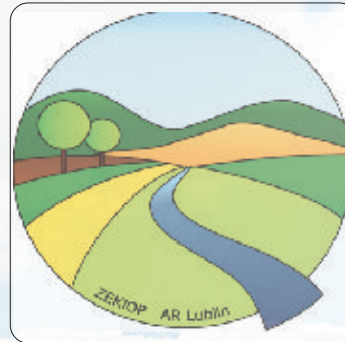

# THE FUTURE OF HYDROGENIC LANDSCAPES IN EUROPEAN BIOSPHERE RESERVES

ORGANISED ON THE OCCASION  
OF THE 20<sup>th</sup> ANNIVERSARY  
OF POLESKI NATIONAL PARK

URSZULIN, POLAND  
MAY, 2010

ANNOUNCEMENT 1

## ORGANISERS

UNIVERSITY OF LIFE SCIENCES IN LUBLIN  
DEPARTMENT OF LANDSCAPE ECOLOGY  
AND NATURE CONSERVATION

COMMISSION OF PROTECTION AND FORMATION  
OF NATURAL ENVIRONMENT PAN IN LUBLIN

POLESKI NATIONAL PARK

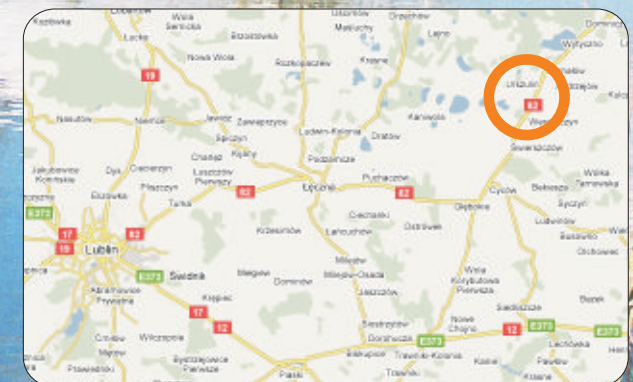

## ORGANISATIONAL COMMITTEE

Scientific Manager of the Conference:  
Assoc. Prof. Tadeusz J. Chmielewski, PhD,  
University of Life Sciences in Lublin  
Prof. Jan Gliński, PhD, President of PAN, Lublin Branch  
Dariusz Piasecki, PhD Eng,  
Director of Poleski National Park

## DATE AND PLACE OF THE CONFERENCE

5 - 7 May (Wednesday to Friday), 2010  
Poleski National Park, Urszulin,  
Lubelskie province, Poland

## CONFERENCE VENUE

## AIMS AND MAIN THEMES OF THE CONFERENCE

- Assessment of the pace and scale of transformations and analysis of the current condition of the hydrogenic landscapes in European Biosphere Reserves
- A review of the methods of active protection of ecosystems and hydrogenic landscapes and assessment of their effectiveness
- A review of the forms and methods of co-operation of environmental protection services with local societies towards the protection and management of landscape values
  - A summary of the achievement over 20-years of the Poleski National Park in the protection of ecosystems and hydrogenic landscapes of Polesie Zachodnie
- Creation of an international research platform of the most valuable hydrogenic European landscapes
- Promotion of the best experience in effective protection of ecosystems and hydrogenic landscapes and successful management of their resources.

## POTENTIAL PARTICIPANTS

- Environmental protection services operating in the area of European biosphere reserves, which consist in significant part of hydrogenic landscapes, lakes, rivers, peat bogs, marshes and other ecosystems of areas connected with water
- Scientific personnel carrying out studies connected with landscapes, ecosystems and species of marsh areas
- Government and local government administrative personnel responsible for the policy of environment and landscape protection and water management, particularly in hydrogenic areas
- Local communities and social organisations operating in the areas of the reserves

## ACADEMIC PUBLICATION

Academic dissertations submitted by representatives of individual countries will be published as an international monograph in English.

## EXPECTED COST OF PARTICIPATION

The registration fee is 150 EUR and it includes board and accommodation. The organisers do not reimburse travelling costs.

## REGISTRATION

Please send applications for participation in the conference together with the title of your paper on the attached application form by e-mail to the following address: [biuro@poleskipn.pl](mailto:biuro@poleskipn.pl), or by regular mail to the following address: Poleski Park Narodowy, ul. Lubelska 3A, 22-234 Urszulin by 15 September, 2009.

All registered persons will receive Announcement 2 with further details concerning the programme and organisational issues.
